

# MUSIC PRODUCER

Duit is one of the most recognizable Polish electronic producers of the young generation. Piotrek released his debut album, it was commercial and artistic success in Polish music market, but he also systematically composes music for commercials and films. His style is recognizable and at the same time diverse.

# MUSIC PRODUCER

The second proposition is Zeppy Zep. A longtime DJ, producer and sound designer from Cracow. He collaborated with many outstanding artists of the European music scene. He also works on commercial projects and widely known advertisements.
